

# Bahrain soft solar panel manufacturer

Is Bahrain's first solar panel company the start of a sea change?

---

This is good news for Solar One, Bahrain's first solar panels company. Since its founding in 2017, the startup boasts of contributing over two megawatts of solar to the country's energy mix ? enough to power around 380 US homes. It's a drop in the ocean, but it hopefully marks the beginning of a sea change.
