

Sep 19, 2024 GREEN SOLAR ENERGY EOOD implements comprehensive engineering solutions related to the design, construction and rehabilitation of substations, electrical ?

Sep 1, 2025 /TSENOVO, BULGARIA, October 15, 2024, 9:30 CEST, RENEWABLE MARKET WATCHTM/ Eney, a leading renewable energy solutions provider, announces the official ?

AES is a key player in Bulgaria's energy sector, focusing on clean energy through its advanced thermal power plant and the largest wind farm in the country. With a commitment to ?

Oct 31, 2024 Rezolv Energy is building the 225 MW St. George solar park on a former airport in Bulgaria. Discover how this project will boost the nation's clean energy.

Sep 2, 2024 Rezolv Energy, the Actis-backed clean power platform, announced on Monday that it has contracted three companies to build the 229-MW St. George solar park in Silistra ?

Oct 30, 2024 Rezolv Energy is building the St. George PV plant of 225 MW in peak capacity at the abandoned Silistra airport in northeastern Bulgaria.

Apr 16, 2025 This chapter explores Bulgaria's green transformation within the framework of the European Green Deal, analyzing its progress, challenges, and opportunities in the energy ?

Oct 8, 2024 The solar power plant, developed by the joint company Eney Element, fulfills its goal of providing clean and affordable electricity to businesses operating in Central-Eastern ?

Jan 21, 2025 United Group's investment will establish three solar power plants and a wind farm in Bulgaria. By 2027, these projects will supply 160% of the electricity needed for the Group's ?

Aug 31, 2023 Biggest solar power plants in Bulgaria Three months ago, Eurohold commissioned its Verila solar power plant of 123 MW in nameplate capacity and a 100 MW connection, the ?

Nov 22, 2024 The Tenevo plant will add 238 MW of solar generation capacity to the Bulgarian national energy system, with a long-term plan to add on a 250MW capacity of behind-the ?

Oct 11, 2024 Bulgaria's energy sector is at a critical juncture, with two main objectives shaping its

Bulgarian power plant clean solar energy

direction: decarbonization and reducing reliance on Russian energy. Over the past year, ?

Jun 26, 2023 Enery's latest Bulgarian solar power plant, developed by the joint company Enery Element, reflects its goal of providing clean and affordable energy to businesses.

Oct 16, 2024 To support Bulgaria's transition to a more sustainable and diversified energy mix, IFC is financing a 225-megawatt (MW) direct current solar photovoltaic (PV) project developed ?
