

The LTE (long-term evolution) base station system, also known as an eNodeB (evolved NodeB), is a crucial component in wireless communication networks. Serving as the access point for ?

Dec 20, 2023 On November 24, 2023, the Minister of Information and Communications of Vietnam promulgated Circular No. 15/2023/TT-BTTTT on the National Technical Regulation on ?

Jul 28, 2025 The Vietnam Base Station Signal Amplifier Market is witnessing robust growth, primarily driven by the expanding mobile telecommunications infrastructure and the rapid ?

Sep 10, 2024 Photo: Thach Thao According to the Ministry of Information and Communications (MIC)'s Telecommunications Department, the storm has impacted 6,285 mobile base stations ?

The GNSS signal wave-front is perturbed as it passes through scintillation events due to the irregularity of the density of electrons, and can cause loss of signal correlation when it reaches ?

May 4, 2024 The military-run telecom group Viettel said it expects to put into operation more than 1,000 new-technology base transceiver stations (BTS) in inner Hanoi, which will improve ?

1 day ago Tuyen Quang province is one of the localities facing many difficulties in mobile phone coverage and internet connection. In order to bring modern telecommunications services to ?

Dec 20, 2012 The Me Tri radio signal transmitter station of Radio the Voice of Vietnam (VOV) was hit on the night of December 18. Despite heavy property damage, VOV broadcasts ?

Aug 11, 2022 Lin Wang, Xiang Yue, and Jinglin Peng Abstract A lot of researchers study the Tower of Hanoi problem. This paper establishes an industrial robot station to solve the puzzle. ?

2 hours ago MONEY FM 89.3 SCG Drives "Regional Optimization," Positioning Vietnam as a Key Base for Production, Domestic Consumption and Global Exports; Highlights LSP and BMP to ?

Dec 8, 2023 Optimize Signal Quality In 5G Private Network Base Stations With the rapid evolution of cellular communication systems, there is a growing need for higher operating ?

Jun 22, 2024 VHT masters all hardware and software, the entire process from research, design to

production of such a base station. To date, VHT has launched more than 300 gNodeB 8T8R ?

---

Dec 7, 2023 In [5], the authors studied the security performance of a downlink multicast secure transmission model using full duplex (FD) and SPC, in which a base station could ?
