

# Lithuania's largest energy storage battery company

---

Feb 26, 2025 E-energija Group has started building Lithuania's largest battery energy storage system (BESS), known as the Vilnius BESS, with a capacity of 120MWh. Located near Vilnius, ?

In September 2025, Finnish company Olana Energy acquired a 70 MW / 140 MWh project in ?al?ininkai from UK-based Aura Power. Co-developed with Lithuanian partner Balancy Grid, ?

3 days ago MT Group has signed a ?27.8 million EPC turnkey contract with Pure Energy Solutions for the design, construction, and commissioning of a 35 MW/140 MWh Battery ?

Sep 16, 2025 Backed by an unmatched portfolio ? from today's proven technologies such as battery energy storage, diesel and gas systems to future-defining innovations including small ?

Jul 2, 2025 The Vilnius-based energy company said construction of the sites would start this year, with commercial operations to begin in 2027. "Power generation from renewables is ?

Sep 16, 2025 These facilities are among the first large-scale battery storage projects in Lithuania and are intended to help orchestrate the energy transition harmoniously. Why Ignitis chose ?

Feb 25, 2025 The Baltic firm described the project as the first commercial battery energy storage system (BESS) and the largest private project of its kind in Lithuania. The facility is expected ?

Liquid-cooled energy storage lithium iron phosphate battery station cabinet Ranging from 208kWh to 418kWh, each BESS cabinet features liquid cooling for precise temperature control, ?

3 days ago MT Group wins ?27.8M EPC contract for 35MW/140MWh battery storage system in Rietavas, Lithuania, connecting to Litgrid's 110kV grid to support Baltic renewable energy ?

Sep 16, 2025 Order comprises mtu EnergyPacks with a capacity of 582 MWh and an output of 291 MW Reinforces Rolls-Royce's position as a global leader in integrated energy solutions for ?

Jul 1, 2025 Ignitis Group, a renewables-focused integrated utility, is starting the construction of battery energy storage systems (BESS) in Lithuania. Battery energy storage parks will be ?

# Lithuania's largest energy storage battery company

---

Jul 2, 2025 Image: Ignitis Group Utility Ignitis Group has taken a final investment decision (FID) on three large-scale battery storage projects in Lithuania. The company said yesterday (1 July) ?

6 days ago The Ignitis Group is starting the construction of three battery energy storage systems in Lithuania, with a combined capacity of 291 MW and a total investment of ?130mn.

Feb 26, 2025 E Energija intends to install a 120 megawatt-hour (MWh) smart storage system by the end of this year for an undisclosed amount, which will increase the total capacity of such ?
