

The Dannevirke Solar & Energy Storage Project is a 107 MW solar farm in Tararua District, featuring optional battery storage of up to 72 MW / 150?300 MWh. With a 40-year operational ?

Jan 10, 2023 Meridian Energy is building New Zealand's first large-scale grid-connected battery energy storage system (BESS) at Ruak?k? on North Island Saft lithium-ion technology will ?

Aug 8, 2025 New Zealand's electricity system remains heavily dependent on hydro generation, especially in the South Island, where facilities like Manapouri and Clyde dams dominate. ?

May 23, 2025 Construction and commissioning of the Ruak?k? battery energy storage system (BESS) on New Zealand's North Island is complete, with the site expected to reach full ?

Mar 20, 2025 In an exciting new announcement, the New Zealand Electricity Authority predicts that their electricity grid will be 100% renewable by 2040. New Zealand has four major energy ?

Nov 19, 2025 The 100 MW storage system, which will be operated by Meridian Energy, aims to improve the stability of New Zealand's national grid, as intermittent renewable power ?

Within this context, performing Thermal Energy Storage (TES) in buildings has become a priority. Energy can be mainly stored in three forms: sensible heat, latent heat or thermochemical heat ?

Oct 27, 2023 WEL Networks and Infratec are proud to announce the launch of New Zealand's largest Battery Energy Storage System (BESS) with commissioning underway. The BESS is ?

Aug 25, 2019 Abstract The decarbonisation of New Zealand's energy system will increase demand for electricity at the same time as fossil fuelled generation is phased out. Maintaining ?

May 23, 2025 Construction of New Zealand's first large-scale grid battery storage system is now complete, with Meridian Energy's Ruak?k? Battery Energy Storage System being officially ?

19 hours ago ? New Zealand Energy, L& M Energy, and Genesis Energy have entered into a memorandum of understanding (MoU) to advance the Tariki gas storage...

May 23, 2025 Construction of the 100 MW / 200 MWh Meridian Energy Ruak?k? battery energy storage

system on New Zealand's North Island is now complete.

---

Jun 24, 2025 The Electricity Authority Te Mana Hiko has published a draft two-year roadmap that sets out our work to support investment in battery energy storage systems (BESS). BESS ?

3 days ago Firming New Zealand's renewable energyIn Aotearoa New Zealand we are fortunate to have a strong history of investing in renewable energy. The continuing investment in ?

1 day ago New Plymouth, New Zealand? (Newsfile Corp. ? November 26, 2025) ? New Zealand Energy Corp. (TSXV: NZ) (" NZEC " or the " Company ") is pleased to provide the following ?

Dec 4, 2023 Long-term and high-capacity energy storage solutions are therefore critical to the government's Just Transitions renewable energy strategy. Geological Energy Storage (GES) ?
